PERMIT PROCESSING FEE AGREEMENT

I the undersigned, hereby authorize the County of Yolo to process the permit request on the previous side of this application in accordance with the Yolo County Code. I (the land owner and/or the applicant) am depositing a fee to cover staff review, coordination and processing costs in accordance with the adopted Yolo County Fee Resolution. The fee may consist of a one-time "flat" fee for minor applications or a "deposit" fee which will be used as an initial deposit to open one or more Work Order accounts to pay for staff time spent processing the application billed on a "time and materials" basis. By signing below, I agree to pay all permitting costs, plus any accrued interest, if the applicant does not pay costs.

I agree not to alter the physical condition of the property during the processing of this application by removing trees, demolishing structures, altering streams, and grading or filling. I agree not to start construction of any new structures prior to permit approval. I understand that such alteration or new construction may result in the imposition of criminal, civil or administrative fines or penalties, or may result in the delay or denial of the project application.

FISH AND GAME REVIEW FEES: I understand that my application and/or any applicable environmental document for my project may be referred to the California Department of Fish and Wildlife (CDFW) for review and comment in accordance with the provisions of the California Environmental Quality Act. Should this review be required, I understand that I must pay all fees for the cost of CDFW review as required by Section 711.4 of the Fish and Game Code (currently \$2,181.25 for Negative Declarations or \$3,029.75 for Environmental Impact Reports, plus \$50.00 County Clerk fee). Should these fees be required, I agree to remit a cashier's check or money order in the required amount, payable to the Yolo County Clerk, to the Planning Division prior to the posting of any Notice of Determination following project approval.

PROJECT CONDITION COMPLIANCE DEPOSIT: I understand that my project, if approved, will be subject to condition compliance monitoring by staff following approval. An additional deposit of \$1,232 will be required at that time to cover staff costs.

MITIGATION FEES OR REQUIREMENTS: I further understand that my project, if approved, may be subject to one or more mitigation fees including the following:
Swainson's Hawk mitigation fee - \$8,660 per acre of affected habitat
Agricultural mitigation in lieu fee - \$10,100 per acre of farmland converted (for projects less than five acres)
Inclusionary Housing in lieu fee – sliding scale for projects under 8 or 10 units (\$1,292 for single family house)

AFFIDAVIT OF CERTIFIED PROPERTY OWNERS

I further certify that the attached list of property owners contains the names and addresses of all persons to whom all property is assessed as they appear on the latest available assessment roll of the County within the area described on the attached application and for a distance of three hundred feet (300) from the exterior boundaries of the property described on the attached application.

I certify under penalty of perjury that the foregoing is true and correct.

CERTIFICATION STATEMENT OF HAZARDOUS WASTE OR SUBSTANCE SITE

Pursuant to the requirements of Section 63962.5 of the California Government Code, I certify that the project site for the above entitlement is not located on the State list of identified hazardous waste/or hazardous substance sites.
