

**HOW TO RESCIND OR WITHDRAW A NOTICE OF NON-RENEWAL
FOR YOUR
CALIFORNIA LAND CONSERVATION ACT CONTRACT**

If you plan to Rescind or Withdraw a Notice of Non-Renewal on **ALL** of the properties that are under a single contract go to item **I** below. If you wish to Rescind or Withdraw a Notice of Non-Renewal on **SOME** of the properties that are under a single contract, go to item **II** below.

ITEM I

To rescind or withdraw a Notice of Non-Renewal for a California Land Conservation Act Contract, you will need to do the following things:

1. Attach a copy of your **NOTICE OF NON-RENEWAL**, which should include:
 - A. Your Assessor's Parcel Number is located in the upper left hand corner of your most current Property Tax Bill. You can get help in finding the Agricultural Preserve Number, Contract Number, Book and Page Numbers, and Current Property Owners from the Clerk of the Board, the Assessor's Office or the Community Services Department.
 - B. List all the affected current property owners and their mailing addresses. The first name on the list will be considered the primary contact person, and this person should include his/her phone number. Rescission of Notice of Non-Renewal requests cannot be processed unless the Notice is signed by all affected parties. Signature(s) of property owners must be notarized by a licensed notary public on the enclosed acknowledgment form which the County Clerk will record with County Recorder.
 - C. Affirm that the notice includes all the properties listed in the particular contract.
2. Complete and submit a **NOTICE OF RECISSION OR WITHDRAWAL OF NON-RENEWAL**, and acknowledgment forms for property owners to the Clerk of the Board no later than **February 15th at 5:00 p.m.** Notices filed after that date will not activate renewal of the Contract until the second year.

ITEM II

To process a Notice of Rescission or Withdrawal of Non-Renewal on some, but not all, of the land under a California Land Conservation Act Contract, you must first:

1. Contact the Community Services Department regarding the application process for a Contract Split. The objective of obtaining a Contract Split is to acquire separate contracts for that portion of land you wish to file a Notice of Rescission or Withdrawal of Non-Renewal under the California Conservation Act, and another contract for the land you do not wish to Withdraw from Non-Renewal.

- A. Before you contact the Community Services Department, obtain from the Assessor's Office, the current Parcel Number(s) (for the affected land), the Book and Page Numbers where the parcel(s) can be found, and the existing Contract Number. You will also need to obtain documentation concerning the legal status of your parcel(s) via a recorded deed or map.
 - B. Each requested contract must comply with the provisions of county regulations (appropriate size for the soil type, legal separate parcel(s), etc.), and be approved by the Planning Commission.
2. When you have obtained the necessary contract split, you may then file a Notice of Rescission or Withdrawal of Non-Renewal. See ITEM I above.
